

Praying for Revival by the Power of the Holy Spirit

Listening to the Holy Spirit's Direction When Praying Kingdom Priorities for the Church

Read the suggested Scriptures and ask God these questions in prayer. Evaluate your church's effectiveness based on these scriptures. Then pray the promises of scripture for your church.

What does God desire His church to look like? Ask God for His vision.

Does your church fall short of God's vision?

Stand before God in the gap on behalf of the church and ask God for forgiveness and mercy.
(Ezekiel 22:30)

Now pray for the church to become all that Jesus desires it to be.

- Is it a house of prayer? (Matthew 21:13)
- Is it a place where people enter the gates with thanksgiving and the courts with praise? (Psalm 100:4)
- Is there worship in spirit and in truth? (John 4:24)
- Do hurting people get healed? (Luke 9:1-2)
- Are broken relationships being reconciled? (2 Corinthians 5:18; Matthew 5:24)
- Do the blind see? (Luke 4:18; Luke 7:22)
- Are those in bondage being set free? (Luke 4:18)
- Is the good news being preached to the poor? (Luke 4:18)
- Are disciples of Jesus being made? (Mathew. 28:19-20)
- Is the church in unity? (Psalm 133:1)
- Do the people exhibit brokenness and humble hearts? (Psalm 51:17)
