

DOCUMENT RETENTION and DESTRUCTION POLICY (3.17.2022)

Aldersgate Renewal Ministries (ARM) requires directors, officers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of ARM, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

PURPOSE OF THIS TOOL:

Certain federal laws prohibit the destruction of certain documents. Not-for-profit organizations should have a written, mandatory document retention and periodic destruction policy. Policies such as this will eliminate accidental or innocent destruction. In addition, it is important for administrative personnel to know the length of time records should be retained to comply.

DOCUMENTATION DESTRUCTION

The Document Retention and Destruction Policy identifies the record retention responsibilities of staff, volunteers, members of the board of directors, and outsiders for maintaining and documenting the storage and destruction of ARM's documents and records.

ARM's staff, volunteers, members of the board of directors, committee members and outsiders (independent contractors via agreements with them) are required to honor the following rules:

- Paper or electronic documents indicated under the terms for retention in the following section will be transferred and maintained by the chart below. Paper documents to fire protected in-house storage. Electronic documents to on-site protected storage
- All other paper documents will be destroyed after three years.
- All other electronic documents will be deleted from all individual computers, databases, networks, and back-up storage after one year.
- No paper or electronic documents will be destroyed or deleted if pertinent to any ongoing or anticipated government investigation or proceeding or private litigation.
- No paper or electronic documents will be destroyed or deleted as required to comply with government auditing standards.

RECORD RETENTION

The following table indicates the minimum requirements of ARM's retention policy.
